Nambour Selangor Private Hospital Renal Unit

Nambour Selangor Private Hospital offers an easy point of access for renal treatment in a low traffic area and calm environment.

Conveniently located within 30minutes of Caloundra, Maroochydore, Mooloolaba and Coolum Beach, and 20minutes from the Hinterland towns of Montville and Mapleton.

The Renal Unit has 8 haemodialysis stations with the options of Haemodiafiltration (HDF) and High Flux Haemodialysis using the latest dialysis equipment.

The Renal Unit operates:

- 7.00am to 7.00pm on Monday, Wednesday and Friday.
- 7.00am to 2.00pm on Tuesday, Thursday and Saturday.

If you have particular needs or circumstances that require flexibility, please contact the Renal Unit to discuss these.

The Renal Unit is affiliated with the Sunshine Coast Renal Clinic. Our experienced Nephrologists are supported by a team of highly specialised renal nurses who monitor your condition throughout each therapy session to ensure you receive excellent quality care.

Premium Service Features

- Free on-site parking
- Ground floor and wheelchair access
- Tranquil garden setting
- Morning and afternoon dialysis sessions
- Patient meals provided during treatment sessions
- Department of Veteran's Affairs (DVA) patients – no out of pocket gap
- Free access to movies and WIFI for patients
- Onsite café
