

# Pelvic Health Clinic

The Pelvic Health Clinic at Nambour Selangor Private Hospital is a service for outpatients; you don't need to be a patient at the hospital to attend. Anyone can arrange an assessment at the clinic.

Both females and males can be seen at any stage for assistance with:

- Bladder and Bowel incontinence
- Pelvic organ prolapse
- Overactive bladder conditions
- Pelvic Floor Muscle Rehabilitation/Training; during pregnancy, after birth or later in life
- Bladder Retraining
- Post-operative Urology, Prostate, Urogynaecology and Bladder Care

Our clinic is run by an experienced and extensively trained Pelvic Health Physiotherapist. All consultations are strictly confidential. No referral is required.
